## edo Murciélago LP710 /2

**Wheel/tire combination:**

- Wheels: custom painted on request

**Body:**

- Specially designed rear wing with adjustable lip

**Drivetrain / clutch:**

- Newly developed single disc clutch.  
The 4-wheel drive arrangement is turned into a 2-wheel drive setup. The LP 710 /2 is delivered with rear wheel drive. Weight savings of 40 kg (88 lb) and more agile handling are the result of this conversion.

**Interior:**

- Rear view camera
- Tire pressure monitoring system
- Exposed carbon fiber interior trim

**Please note that all modifications for this car are carried out exclusively at our facilities in Ahlen/Germany.**

All aforementioned prices are ex-works and exclude installation and VAT.
